No dated 16. 5. 25

Gives notice of a motion for leave to amend the rule regarding interpellations in the Rep. Assembly.

1 Subj The amendment proposed is exactly on the lines of rule 4 (2) of the rules regarding the asking of Questions in the Legislative Council. Similar provision has not been made in the present rules or Standing orders of the Rep. Assembly.

R II- p 55

2 It is however a matter for consideration if a member of the Assembly can move an amendment to the rules, which under Sec (6) of the R.A. Regn vests in the Govt. What is now proposed is not an amendment of the Standing orders which is within the power of the Assembly.

He can. But that is not the point. The procedure is irregular

3 The R. A. rules of business and Procedure do not contain a provision for the amendment of interpellations & resolutions. This member therefore proposes to insert a rule on that behalf.

4 The procedure adopted by him is, however, irregular. He must have given notice of this resolution to the Dept. Govt who would have placed it before the
